Web Address – www.converseeagles.org

MEETING MINUTES 06/02/09

By Rafael Molina

After giving some extra time for more members to arrive the meeting was called to order at 6:15 PM by Bob Parker, (President). Other officers present were: Mike King, (Treasurer), Rafael Molina (Secretary) and Russ Walden (Officer at Large). Total members present: 2.

Old Business

A motion to accept last month meeting minutes was proposed by Tom Seres and second by Howard Martz. The motion was unanimously accepted by membership present.

TREASURERS REPORT

By Mike King

Expenditures, income and pertinent information concerning our treasury was offered in some detail to all in attendance. A motion to accept the treasurers report was made by Howard Martz and second by Tom Seres.

DRAWING

Gift certificates for the amount of \$15 dollars were won by Howard Martz and Russ Walden.

Mall Show Update

Tom Seres informed the membership that his current plans for the Mall Show (Winter of 2010) will be a one day event and that no awards are going to be presented.

NEW BUSINESS

I presented some information on the possibility of organizing a Fun Fly event to take place at the Grissom Air Base Museum this summer. This event will be strictly an open Fun Fly for all interested members of this area R/C clubs to participate. Specific details have not been established yet but I expect that the event will consist of an open fly in,

I have been in conversations with Andy Cougil, Director of the museum and he has expressed interest for the museum to sponsor this event. He said the AMA museum director in Muncie is a good friend and that he will ask him to join in a meeting to discuss the specific ways the AMA may be able to support this event.

I will be trying to schedule a meeting with all interested parties the second week of this month.

Already Edd Bennett who is interested in helping. on this project has brainstormed some ideas\concerns\suggestions:

- appoint a safety officer
- publicity,
- public-address system
- crowd control
- announcer
- audience seating,/location
- parking control\directions,
- designated parking for flying participants
- pilot meeting
- back-up weather day
- frequency control
- designated flying stations
- flying station control officer

- model aircraft static display
- build and fly Delta Darts for little children
- food (?)
- trainer plane\trainer cord
- invite AMA district vice-president
- appoint a contest director
- test fly at site and check area with frequency monitor

Anyone interested in participating in the organization of this event please contact me via e-mail at ramolina7@yahoo.com or call me at 765-210-3825.

Bob Parker is asking of all members that will like to help with the field mowing to come forward and volunteer. The more members that participate in the field mowing mean that not only the same people will be burdened to take care of this responsibility every week.

Presently the volunteers to take care of the field mowing are Bob Parker, Mike King, Russ Walden, Tom Seres and I.

If you like to volunteer please let Bob or Mike know and they will make sure you get a short training/introduction to the use of the Lawn Tractor and mowing procedure.

On the subject of field maintenance Mike King brought up the subject of the need to acquire a chemical sprayer

All present agreed that field maintenance being of the up most importance it will be a good idea to purchase a sprayer unit.

Howard Martz placed a motion to purchase a chemical sprayer and Tom Seres second the motion. The motion passed unanimously by all present.

SAFETY REPORT

There was no safety report this month.

SAFETY is no ACCIDENT

At approximately 6:55 PM Tom Seres made the motion to adjourn the meeting and Howard Martz second. Meeting was adjourned.
