There was some last minute discussion on what was needed for the upcoming Swap Meet. Please remember that .set-up for the swap meet is scheduled to start at 5:00 PM on Friday, October 30th at the converse Gym. Please come and help if you possibly can.

NEW BUSINESS

Harry Brewer (AMA 2010) requested to join the club. Harry has been a aircraft modeler for quite some time and enjoys R/C flying. Bob Parker proposed to accept Harry as a member and he was accepted by unanimous vote.

Tom Seres brought up the discussion of organizing a Fun Fly/Fly In event this next year. He explained the possibility of having some major R/C products vendors sponsor the event. He knows for sure that the owners of RCGF/Aerovate Engines is willing to fly from Australia and participate in the event. We may be able to obtain one of their engines to be raffled for the club benefit. This is all contingent that the event takes place the week end between the XFC and the AMA Aerobatic. IMAC Nationals.
